## RULES & REGULATIONS

- Registration Form has to be filled up & submitted to the office within five days of issue of Registration Form.
- Incomplete Registration Forms without photograph will not be accepted.
- Date of Test / Observation / Interaction will be given at the time of Registration.
- The Registration Form will automatically be treated invalid if a parent does not turn up for interview or does not take admission on the date fixed up by the school.
- Registration does not guarantee admission, as it is subject to admission test (for class II onwards) / observation / interaction and availability of seats.
- A child must have completed 3 yrs. as on 31st March of the current year, for Nursery. Age for higher classes may be calculated accordingly.
- No reservations are made on basis of Caste, Creed & Religion.
- Student after joining the school, if found indulged in any kind of indiscipline is liable to be removed.
- The behavior, manner & educational consciousness of the parents will be taken into serious consideration for admitting/discontinuing the child into/from the school.
- Strict regularity & punctuality, implicit obedience, courtesy in speech & conduct, cleanliness & proper uniform are necessary for all the students.
- Parents & students are asked to co-operate with the school regarding instructions, rules, discipline & timely payment of fees etc.
- Guardians are requested to check the School Diary of their wards regularly and put the signature. The behavior of any ruffian parent will not be accepted.
- Any grievance may be considered/redressed only on parents' written and decent request, if it is found genuine and does not affect other student/parents.
- Shouting of the parent on any issue will tarnish the image of the school management. The ward of such parent will more reluctantly also be subject to removal from school.

## DISCIPLINE

All students are expected to maintain high standards of discipline inside and outside the school premises. The school reserves the right of dismissing a student if his/her stay is detrimental to school discipline.

## HOUSES

There are four houses in the school headed by a Teacher as the House Warden and a student as the House Captain.

## Message from Director

"Education is a means of achieving a world of peace, justice, freedom, and equality for all. Thus, education is extremely necessary for all. No good life is possible without education. It endorses the intelligence of human beings, develops his skill, and enables him to be industrious."

Our mission at Green Valley International School is definitive. Here each child receives an education which is skill based and develops his critical and logical thinking. Every child is trained to build an irrevocable conviction about right and wrong and evolves as a unique individual capable of taking stock of each situation, forming correct decisions without losing sight of the societal values.

We firmly believe that parents role in the Child's educational development is crucial. It is the parents who are the first GURU of the child. So we create sturdy rapport and strive to establish continuous communication between parents, teachers and administration. The management and staff of Green Valley International School is deeply committed to work tirelessly in order to make our students' learning experience an exciting and elucidating one.

**Lanton David**  
Principal

## Message from Principal

We live in a world that demands excellence, creativity and competitions. Everyone hopes to outwit the other and as a great philosopher Jean-Paul Sartre says, "The other is a hell or menace for everyone." One feels that the other may snatch his or her prospect. It is here that we need to scrutinize the need of education. Education ought not to teach one to compete with the other but rather compete with oneself to eliminate what is irreconcilable and to furnish oneself with the armor of knowledge and wisdom to stand for oneself and the other.

GVIS believes in the holistic development of the children. Implementation of a well-balanced curriculum ensures us to cater the intelligence quotient, emotional quotient and spiritual quotient of the children with apposite environment. Our well qualified and well-disciplined faculty deems that success comes to those who work hard and stays with those who don't rest on the laurels of the past.

Spirituality, morality and teamwork are the hallmark of GVIS. What we are is God's gift to us, what we become is our gift to God. Therefore, let us strive to perfection and it is quite sure that a collaborative effort can bring the best that is yet to come.

'Education without ethics creates slaves or savages.'

## ABOUT US

### Our Vision & Mission

"Vidya Daddati Vinayam".

"An Engineer's mind behind the success of your child".

The school's Educational philosophy aims at providing a pragmatic, broad-based career oriented education, where the **Curriculum** is a judicious mix of **academics, sports** and **co-curricular** activities, designed to transform children into thinking and level headed persons, equipped with moral fibre and life-skills, enabling them to compete and excel in any situation anywhere in the world.

#### Glorious

Students should be able to bring the glory to himself or herself, family, school, society and nation at large by the virtue of knowledge and humility.

#### Victorious

Students should be able to learn a life of victory under all circumstances without a speck of fear.

#### Industrious

Students should be industrious to have the wings of fire to achieve their dreams.

#### Spontaneous

Students should be spontaneous to deal the challenges of life in an appropriate manner.

**Green Valley International School** is a vibrant and wholesome Indian model of a Public School for Pre-Primary, Primary, Secondary and Senior Secondary Education, which is groomed under the guidance and command of leading educationists and professionals from all over the country.

**Green Valley International School** focuses on cultivating a school of **Leadership of Thought & Action** with impetus on **Leadership Education with Efficiency, Discipline and Skill**.

#### Aims & objectives

**Green Valley International** has come forward with the confidence and infrastructure to establish an English medium school of academic excellence and is determined to maintain high standards by imparting quality education. We strive to achieve the following objectives in addition to the aim of imparting education within and outside classroom.

1. Make children aware of their culture & promote high ideals of nationalism and enable them to be a global citizen
3. Explore inherent qualities of each child with range of opportunities in and outside the school premises.
3. Develop a child as a rational & dynamic personality

## Academics

### Nursery to Prep

The Pre-Primary School Programme at **Green Valley International School** comprises Nursery, Lower KG and Upper KG. These are the formative & vital years of learning. The pre- primary curriculum is delivered through the 'ILLUME' approach based on the premise that each child is unique, has infinite potential, learns best through observation and constructs his/her own knowledge in multiple ways.

### Primary

### Class I to V

The Primary School Programme focuses on the child's potential both inside and outside the classroom. Our purpose is to make these years exciting and at the same time fulfilling & productive. The children are encouraged to participate in broad spectrum of co- curricular activities and projects. By the time children move to the Middle School Programme, they will have 'learnt to learn'.

### Middle

### Class VI to VIII

At this stage, we aim at developing their physical abilities and achieve high standards of attainment in academics and extra-curricular activities. We understand the importance of competitions for the children, especially as they progress and develop through the school. For this, all the students are given clubs and houses to choose from & are given opportunities to compete in Inter-house Competitions of multi-genre such as sports, debates, dances and music, art, dramatics etc.

### Secondary

### Class IX & X

The surroundings and daily life activities and situations are the best experiential teachers for the students. Teachers draw examples and group activities from daily life observations within the campus and surroundings and encourage presentations by the students to develop their critical thinking and communication skills. We aim at all-round development of students with holistic approach to education with integration of co-curricular activities.

## OUR STRENGTHS

## OUR CURRICULUM

We follow the curriculum recommended by the Central Board of Secondary Education, New Delhi. We make learning process pleasurable by providing a happy and stimulating environment. Our school implement a curriculum for physical, mental, emotional, intellectual and spiritual progress for achieving multifaceted development.

**Our curriculum focuses on multiple areas of development.**

- Holistic growth and development of body, mind and soul through a progressive curriculum, innovative instructional practices and multiple learning styles.
- Activities designed to support experiential learning.
- Critical thinking ability and problem solving skills.
- Enhancing the skill of active listening and speaking.

## PARENT TEACHER MEET

PTMs are conducted regularly to apprise the Parents about their ward's progress. Constructive suggestions for the development of the students are exchanged and always welcomed & highly solicited. We also organize regular workshops & seminars for parents.

### SAFE CAMPUS

Student friendly campus that renders the most congenial atmosphere for learning as safety of each child is our priority.

### HOLISTIC DEVELOPMENT

We incorporate effectively an education system with a holistic perspective to develop each child's intellectual, emotional, social, creative and spiritual potentials.

### PERSONAL ATTENTION

Close monitoring is done to understand each child's academic skills and understand their drawbacks thus help them to face the learning challenges.

### BEST-IN-CLASS INFRASTRUCTURE

The infrastructure that supports teaching and learning in the most suitable environment away from the hustle-bustle of urban areas where the students thrive.

## FACILITIES

### INFRASTRUCTURE

- CCTV Monitored Campus
- Well Equipped & Spacious Building
- Multi-Dimensional 3 Acres Sports Ground
- Lush Green Surrounding
- Located in the picturesque green field of the village Malinagar surrounded by a perennial river Budhi Gandak.

- Multi-Variety Science Labs with latest Equipment
- Well Equipped Computer Lab
- Spacious & Large Rooms
- Laboratory activities and experiments help students acquire skills and practical application of their knowledge.

"Nothing is pleasanter than exploring a library". We have spacious, structured and well- equipped library which provides a peaceful as well as relaxing environment meant for reading books and informative materials to quench their thirst for knowledge.

**GPS Enabled Fleet of Buses**  
**Ensures road-safety measures**  
**Trained drivers**  
**Ensures timely pick-up and safe drop-off**

## SPORTS

- Cricket
- Badminton
- Volley Ball
- Chess
- Foot Ball

### ADMISSION PROCESS

#### Registration Form

Guardians/Students can collect School Prospectus & Registration Form by making the payment at the campus.

#### Necessary Documents

Guardians/Students can submit the duly filled form along with the Registration fee & necessary documents at the school reception or website.

#### Evaluation Process

Post submission of all the documents, a date will be scheduled for the student's evaluation, based on a written/oral exam, followed by an interview of the qualified students.

#### Result Declaration

If the student successfully qualifies the evaluation process for the required class, the guardians/students can further proceed with the admission formalities at the school campus. Admissions to all Pre-Primary classes and Class-I are based only on observation sessions of candidates and interviews with candidates' parents/guardians. Admissions to Classes II and above are a two-step process:

1. Written test in English, Hindi, Science and Mathematics conducted in the school premises.
2. Candidates who qualify in the written test, appear for a personal interview.
